**This Annual Report of
the City of Rutland
is Dedicated to**

John W. Cioffredi

*Superintendent of
Rutland Recreation & Parks Department
1960-1994*

Under the leadership of John Cioffredi, the downtown Halloween window painting of 1960 has evolved into an annual Halloween parade which receives national recognition.

Playground activities of the 60s have been replaced by mini-parks, nature trails, increased tennis courts, lighted basketball courts and softball fields, concerts in Center St. Alley and Main Street Park.

An Olympic size pool at White Memorial Park has replaced the outdated above-ground pool on North Main Street.

Programs available after school, on Saturdays and in the evenings offer a wide range of crafts and activities for youth as well as adults.

Thank you, John, for enhancing Rutland's quality of life through thirty-four years of dedicated service.

Mayor's Message

Jeff Wennberg, Mayor

To the Honorable Board of Aldermen
and the Citizens of Rutland

Fiscal 1994 represented a turning point in the history of the City of Rutland. It was this year that bricks and mortar proof of our ambitious redevelopment program finally arrived.

Throughout the year, construction progressed at the new Price Chopper Super Store and State Office Building downtown, the new High School on Woodstock Avenue and the new Water Filtration Plant next to the city reservoir. The long-delayed Zamias Shopping Mall in Rutland Town began construction in May, and the long-awaited reconstruction of Woodstock Avenue began in June.

June also marked the opening of the State Office Building on Merchants Row. Formerly the Woolworth and Hulett (Benn-Burry) buildings, these historic structures have undergone a miraculous transformation. For decades, nearly all of the 140,000 square feet of space in these buildings has remained vacant. But thanks to the efforts of the Governor, our legislative delegation and developers Robert Miller and John A. Russell, Jr., it is today the "home" for hundreds of state employees and the Social Security Administration. By the end of the year, it is hoped that the first floor retail space will be leased and open for business.

With the Zamias Mall nearing its ground breaking, the concern for the future of downtown's retail district took on new urgency. Rutland remained true to its plan, the "On The Right Track" report, presented in October of 1989. The key to downtown's renewed prosperity lies not in competition with the mall, but in a planned redirection of downtown's focus. But all the attention given the State Office Building and the Central Vermont Corporate Headquarters has led some to believe that retail is being abandoned. This was proven wrong when Vermont's largest supermarket—the 58,000 square foot, \$7 million Price Chopper—opened its doors for the first time on May 25th.

Skeptics had claimed that the Rutland market couldn't support such a big, fancy store, that past problems at the plaza would keep shoppers away, and that even if they came it wouldn't

do anything for the rest of downtown. The skeptics have been proven wrong. The store draws a steady 25,000 shoppers a week and has broken most prior records for the Price Chopper Super Center openings. The downtown Plaza location has proven to be ideal, and has improved the store's competitive advantage over outlying competition. And sharp downtown retailers soon began capitalizing on this new traffic.

At the close of the year, progress on the nine-screen, 1300-seat movie complex had assured a construction start this year. Once open, this "multiplex" cinema will breathe new life into downtown's nightlife, which will in turn be a boon for central business district nightclubs and restaurants.

With the opening of the State Office Building the concern for short- and long-term parking became acute. The wisdom of the proposed Multi Modal Transit Center grew more and more obvious throughout the year, as the Marble Valley Regional Transit District moved ahead with their plans.

In early May, and with surprisingly little fanfare, site work began on the long-delayed Zamias Mall just south of the City in Rutland Town. This project had been supported by the City ever since we reached an agreement with the developers for compensation to the taxpayers for the mall's impacts. The project represents nearly \$60 million in new investment and over 1000 new jobs for Rutlanders. And it will

reverse the decline of the Rutland region as the retail center of southern Vermont.

Construction moved furiously ahead on the new High School as contractors, suppliers and school officials sought to meet the September first opening date. Everyone involved in this project deserves high praise for keeping the project on time and on budget. In spite of costly permitting delays and a tight schedule, it was put together with a standard of quality rare for such buildings, and was designed and built to serve many generations of Rutlanders.

While the new high school is a source of pride for Rutlanders, the schedule, personnel and curriculum changes which have accompanied it promise to move the quality of instruction dramatically forward as well. Ultimately, a building is just a building. Whether, what, and how well our children learn depends upon what happens within that building, not the building itself. Rutland's educational leadership has wisely used this new high school as a catalyst for instructional reform that will surely place ours among the most effective schools in the state, if not the nation.

The improvements to Woodstock Avenue were tied to the opening of the school through the Act 250 permit. The State Agency of Transportation "pulled out the stops" to insure that this overdue upgrade of a main artery would be completed on time. For a relatively small investment of about \$84,000, the City is receiving \$1.4 million in Woodstock Avenue improvements. Had we not made an issue of it, however, all of these costs would have been borne by Rutland's property taxpayers (\$230 per household!), while towns get 100% of their state highway maintenance paid by the state. Because we refused to pay this unfair cost, we forced the state to accept their responsibility.

The winter of 1993-1994 was the worst in a decade. The unrelenting sub-zero temperatures wreaked havoc with water lines and streets, and pressed the Department of Public Works to the limit. First, the good news. Despite one of the snowiest winters in many years, the streets were kept clear. Crews and equipment were pushed to the limit, but when spring thankfully arrived the streets snow removal effort proved to be up to the challenge.

Unfortunately, the same could not be said for sidewalks. With only two plows and very limited manpower, about half way through the winter the sidewalk plowing effort essentially failed, and never really caught up. The critical issue is manpower. With the addition of a "new" sidewalk plow we could insure that the equipment and personnel are available to keep the walks clear. A reconditioned piece of equipment will be placed into service in 1994-1995 giving us an additional plow. The manpower issue is under negotiation between the union and the city.

Throughout the winter and the whole 1994 construction season, work progressed on the City's new \$6 million water filtration plant. Concern for the safety and quality of our drinking water has been heightened in recent years by contamination in Milwaukee and elsewhere. Our filtration plant will improve the purity of our drinking water, and should also enhance its aesthetic quality. While the cost to build the plant is having a significant impact on water rates, the cost of operating it will not. Designed using age old and long-proven technologies, Rutland's slow-sand filtration system will operate entirely under the force of gravity (no expensive electric pumps) and require the addition of no new chemicals to our water. It will be run by a staff of two, and is designed to serve the needs of our community for over a century.

I want to thank all City Employees for their hard work and dedication, and the Board of Aldermen for their support and leadership.

With minor exception, 1994 has proven to be a great year for our City and region. The hard-fought battles of the past are now paying off, and the patience and faith of the people of Rutland began reaping their rewards.

Taxes remained stable in fiscal 1994, but jumped in 1995 due to new school bond payments and increased operating costs in the schools. Of each new tax dollar raised through the rate increase 87 cents were for schools, 12 cents were for better street maintenance, and 1 cent went to all others. The tax rate for general government services—Police, Fire, Recreation, Clerk, Treasurer, Assessor, Building Inspector, Health, Mayor, Community Development, Attorney, Emergency Management, Purchasing and several others—actually went down a small amount.

Report of the President of the Board of Aldermen

Nicholas A. Barone, President

To the Citizens of the City of Rutland:

This year, 1994, has truly been a banner year for the City of Rutland.

The new high school was completed and opened on schedule this September.

Woodstock Avenue was finally paved and the intersection of North Main and Woodstock was widened.

Zamias broke ground and is rapidly shaping up.

The Hulett Project is very near completion and state workers are moving into new offices.

A dedication ceremony was held September 23, 1994, and the building will now be known as the Asa Bloomer State Office Building.

The Multi-Model Transit Center is on schedule and construction could start in the spring of 1995.

Central Vermont Public Service Corporation has applied for necessary permits and Price Chopper is off and running.

All of this was brought about by "Team Work" on the part of many people and groups.

Special thanks to the Board of Aldermen; to the Mayor and his administration; City Clerk,

Rosemary Finley; City Treasurer, Ron Graves; staff and Board of Directors of the "Bus"; the Partnership Group; RRA; and representatives of C.V.P.S and NET Realty.

The combined projects will provide jobs and boost the economy of this City and area.

"It's been a very, very good year"—keep it rolling.

RUTLAND CITY BOARD OF ALDERMEN

Standing: Robert A. Stafford, John Cassarino, Kevin Jones, Samuel J. Gorruso, Karen J. Moore, William F. Gillam, Jr., Paul Clifford, Arthur E. Crowley, Jr. *Seated:* Sharon Davis, President Nicholas Barone, City Clerk Rosemary Finley. Alderman David Sagi was absent when photograph was taken.

Health	500.00
Libraries	334,625.00
Recreation	630,101.47
Miscellaneous	1,385,632.41
Debt Service	1,238,493.00
Transfers	<u>9,199,061.00</u>
Total Appropriations	<u>\$19,000,804.94</u>

Grand List, Taxes Assessed, and Levy

1990	6,803,211.53	2.1275	14,469,133.99
1991	6,944,854.48	2.25	15,625,929.36
1992	6,864,293.79	2.2050	15,107,476.89
1993	6,811,361.37	2.2665	15,437,950.53
1994	6,844,018.98	2.3705	16,223,746.99

Bonded Debt

June 30, 1990	3,415,000.00
June 30, 1991	3,045,000.00
June 30, 1992	2,685,000.00
June 30, 1993	2,365,000.00
June 30, 1994	15,777,760.00

Audit Report

Reports of the audits conducted by the City of Rutland and the Rutland City School Department are included in the City of Rutland Financial Statement which is a separate document and is available from the Office of the City Treasurer.

Report of the City Treasurer

R. J. Graves, City Treasurer

To the Honorable Board of Aldermen
and Citizens of the City of Rutland:

The Treasurer's office again has completed another year in fulfilling its duties and responsibilities to the Tax Payers of the City of Rutland. Myself and staff are pleased to submit to you the annual report for the year ending June 30, 1994.

It is without question that our responsibilities are great. We in the Treasurer's office welcome our duties and hope that we have performed them diligently and foremost to the best of our ability for the Tax Payers of the City.

Our duties are widespread in nature from preparing and collecting tax bills, water and sewer rents and providing service to the general public, as well as providing fiscal support of all departments of the City.

Utmost in our duties is the accountability of the Tax Payer's dollars. This office publishes a comprehensive financial report annually under a separate cover. As presented in that report the General Fund of the City as a result of its operations has a Fund Balance or surplus of

\$260,586,37. This fund balance is directly carried over to the next fiscal year to offset what needs to be raised by taxes for that fiscal year.

The City met its debt requirements promptly during Fiscal Year 1994. The City's total Bonded Indebtedness as of June 30, 1994 is \$15,777,760.00. Interest on that debt totals \$6,753,795.50.

The City also maintains Water, Sewage Disposal, and Parking Meter Funds in addition to a number of Trust and Agency funds.

The Financial Report will be audited by an independent certified public accounting firm. The audit was designed to meet requirements of the City, State, and the Federal Single Audit Act of 1984 and related OMB Circular A-128.

The preparation of this report and the comprehensive annual financial report on a timely basis was made possible by the dedicated service of the entire staff of the Finance Department which is made up of the Treasurer's office and Data Processing Department.

Report of the Building Inspector/Zoning Administrator

James P. Simonds

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

I am pleased to submit to you the annual report of the activities of the Building Inspector/Zoning Administrator's office for the fiscal year ending June 30, 1994.

Our office has issued 910 Certificates of Occupancy, 16 sign permits, 65 Electrical Permits, 20 Public Hearings on Zoning issues, and a total of 211 building permits for:

120 residential renovations	\$1,144,442.00
8 new residential buildings	582,794.00
79 commercial renovations	10,359,788.00
4 new commercial buildings	1,941,000.00

In closing, I would like to thank the Mayor, Board of Aldermen, Board of Zoning Adjustment, the Planning Commission, the City Attorney, along with all the department heads and their staff for their cooperation and assistance. Additionally, I would like to thank the residents of the City of Rutland for their continued support and assistance in detecting violations that would otherwise go unnoticed.

Report of the Zoning Board of Adjustment

Stephanie Lorentz, Chairperson

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

The Zoning Board of Adjustment has again completed another year of fulfilling its duties and responsibilities in upholding the City Ordinances set before us. It is with pleasure that I hereby submit the annual report of the Zoning Board of Adjustment. The members for the fiscal year 1993-1994 included Chairperson Stephanie Lorentz, Secretary Cliff Giffin, Dean Lawes, J. Donald Cross, Andrea MacLauchlan, Dr. J. Malcolm MacDonald and Al Trepanier.

During the course of the year, we held 20 public hearings for variance requests, with 16 of those being approved and 4 being denied.

Our obligations include determining whether or not the statutory five criteria were satisfied

following a request for a variance. Public hearings are warned to give advance notice to the public to participate in the hearings. In addition to holding public hearings, we investigate and make determinations on discrepancies of the Zoning Ordinances that come through the Zoning Administrators office and interpret the Zoning Ordinances as written.

In closing, I would like to thank the residents of the City of Rutland for their active participation in the public hearing process, Zoning Administrator Jim Simonds, Cathy Diana, and the Mayor for their continued support of our efforts.

Report of the Office of Community Development

Thomas L. Donahue

To the Citizens of Rutland:

It is with great pleasure that I submit to you my 6th annual report of the City's Office of Community Development. As you are aware the construction we have planned for has begun and in some cases is already completed, like the Price Chopper Super Center and the Asa Bloomer office building.

Next we hope to see the ground broken for the new Multi-Modal Transit Center in downtown. This project has been on the front burner of the Agency of Transportation. With the cooperation of the City and U.S. Senator Patrick Leahy, the BUS (MVRTD) has pulled this project together in record time. And none to soon as the need for the parking and the transit link becomes more necessary downtown.

Another development I hope will come to fruition as time goes on is the proposed Master Development Plan of the Howe Center. I had the opportunity to testify in support of the million dollar project before the Act 250 District Environmental Commission this year. The overall plan proposes eight new buildings and 44,000 square feet of new commercial space.

Woodstock Avenue is now complete along with improvements to the intersection at Stratton Road that helped facilitate the opening of the new high school. Next, I have submitted the paving of North Main Street as a priority for the Rutland Region Transportation Council, which I serve on as Vice Chairman. The Council will request projects from the Vermont Agency of Transportation each year as priorities of the County. Also on the Council I continue to push for needed improvements to the Rutland State Airport and I remain actively involved in the continuing process to site a bypass highway around the City.

The Spruce Street Extension project which we received a \$1.5M grant for is ready to begin, with the final design now completed. This project, which among other things will open up the area behind the plaza for through traffic, has become an essential link to the entire Plaza redevelopment.

I continue my work writing and implementing grants for the City and have had another suc-

cessful year. Together with the Rutland County Women's Network and Shelter I was able to secure a \$282,360.00 Community Development Block Grant for the purchase and renovation of their current facility and the building immediately next door. This has provided a new and an expanded home for RCWNS allowing them to expand their services to the community. In addition it has made the facilities accessible to people with disabilities. The Rutland County Women's Network and Shelter assisted nearly 2,800 women and children last year.

I was also successful in obtaining a technical assistance grant for the City from the Vermont Agency of Transportation for an alignment analysis to continue the bicycle/walking path another mile north following East Creek and ending at Pine Hill Park. A consultant has begun work on the first 1.4 mile leg of the path which may get under construction as early as fall of 1995. The City received a grant for this project last year.

I would like to thank the numerous volunteers who have been so committed to making this a reality for Rutland.

Combined, this office has submitted over \$3.7M in successful grant applications in the last six years. In addition I have worked to secure

over \$4.7M in transportation funds over the same time period.

I continue to serve on the Board of Directors and as Chairman of the Operations Committee at Rutland West Neighborhood Housing Services. This successful program has loaned over \$1.1M in the city for housing rehabilitation and home ownership. The Board of Aldermen agreed this year to expand the program to all neighborhoods in the City.

I serve on the Board of Directors of the Rutland Ishidoriya Student Exchange (RISE) program and again this year we had a successful exchange of Japanese students with students from Rutland schools. This program has provided a wonderful cultural opportunity for our students.

I also serve as President of First Night Rutland. The wonderful group of volunteers and many generous sponsors have worked hard all year long to make First Night '95 the best ever. As First Night has grown, this alternative celebration has become a truly safe family oriented event which appeals to all age groups.

In addition to the boards mentioned above I represent the city as Vice President of the Southern Vermont Development Council, Vermont Interactive Television Community Advisory Board, President of the Vermont Community Development Association, Chair of the administrations Development Review Committee, member of the Traffic Safety Committee, the Employee Safety Committee, Chamber of Commerce Transportation Committee, Vermont League of Cities and Towns Transportation Policy Committee and I serve as Americans with Disabilities Act (ADA) coordinator for Rutland working with the CAJR Commission. Last but certainly not least I work closely with the Rutland City Planning Commission and the Community Development Committee of the Board of Aldermen.

I would like to thank several people who make my work enjoyable and productive in City Hall. First are Secretaries Cathy Diana and Jean Mattsson and equally important are the dedicated members of the Rutland City Planning Commission and the Rutland City Board of Aldermen.

Report of the City Attorney

Frank H. Zetelski, City Attorney

To the Citizens of Rutland:

I hereby submit the Annual Report of the City Attorney for the fiscal year July 1, 1993 through June 30, 1994.

This has been another busy and satisfying year for the City Attorney's Office and for the City of Rutland. We continue to represent all elected City officials, all Boards of the City of Rutland and the City's Department Heads.

In my capacity as Chief Union Negotiator for the City, I had been involved with the final resolution of the Police Contract, and that contract is now in place. Additionally, work has continued with the Department of Public Works to try to resolve disputes that have arisen through both grievances and arbitrations and a large number of those were able to be resolved during this year. The contract with the Public Works Union is due to expire June 30th of 1994 and negotiations have commenced to try to enter into a contract with the City's Department of Public Works' employees for the future. I have also continued to be involved with the City's interests as they relate to the Fire Department Union, although their contract was not up for renewal this year.

The downtown redevelopment area has been one that has been particularly busy for the City Attorney's Office, and my time has been spent with the Subdivision and Act 250 process for the Central Vermont Public Service and Net Properties' Downtown Plaza revitalization. This has been time that has involved the hearings under the Act 250 and other negotiations with the parties in regard to the Act 250 process for this project. There were also hearings in which I participated before the Rutland City Planning Commission.

Other development projects in the City have likewise involved the time and work of the Legal Office. We have continued to be involved with the Rutland Redevelopment Authority and have been prepared to intercede on the City's behalf in those areas of development which require our support.

The severe winter weather resulted in many new challenges for all departments of City Government, and the Legal Department was not

immune from these. Many questions arose as to the responsibilities of the private landowners, or the City in regard to the freeze-ups of water, sewer, and the attendant costs. The Legal Department provided advice to the Board of Aldermen and the administration as to the legal positions of all parties in regard to this.

Halfway through this year, the City retained the services of Attorney Henry C. Brislin as Staff Attorney. This provided staffing within the Legal Office for the administration and to provide backup legal advice for the Board of Aldermen and for me as City Attorney.

My time commitment has been greatly reduced with the addition of the Staff Attorney, but my overall responsibilities as City Attorney remain the same. In effect, the arrangement of having a Staff Attorney allows me to utilize the background knowledge that I have gained over the years at City Hall to its best advantage. The salary and benefits for the Staff Attorney were funded by a comparable reduction in my salary and benefits.

The Staff Attorney's duties were increased to include representation of the City in regard to the contractual matters for the building of the new Multi Modal Transit Center, and the City has been taking a more active role in regard to this project as it comes closer to commencement of construction. Also, the Staff Attorney has been available to provide research and backup for me for the issues of the Spruce Street construction of new streets in regard to the Plaza Redevelopment.

There have not been any unexpected lawsuits during the past year and the number of new claims being made against the City continues at about the same rate as in the past several years. I do not expect any adverse Court decisions which will severely impact upon the City's finances at the present time.

Another priority of the City Attorney's office has been addressing parking and the problems of providing adequate space to enable both consumers of services and products in the downtown area to conveniently patronize downtown businesses. We are also concerned that employees

downtown have adequate parking. To that end, I have been involved with the planning for additional parking and the improvement in the efficiency of parking as it currently exists. Not the least of the ways to assure adequate parking is through enforcement of our parking ordinances and as Traffic Court Judge, I have attempted to rule on disputed parking tickets fairly.

In conclusion, I want to again thank the Mayor, Treasurer, Assessor, members of the Board of Aldermen, members of all of the City Boards

and the Department Heads for making my job as City Attorney rewarding. I also wish to thank members of the legal community for their courtesy and most importantly, as always, thank the residents and property owners of the City of Rutland for making Rutland a great place to live and work. A special thanks is again extended to Doris Keller, secretary in the Legal Department for her dedication and hard work and in recognition of the addition of a new attorney to provide further demands upon her skills and time.

Grand Juror/Assistant City Attorney

Christopher P. Sullivan, City Grand Juror/Assistant City Attorney

To the Board of Aldermen and Citizens of the City of Rutland:

Criminal fines collected for fiscal year ending June 30, 1994 were \$16,884.50.

The Legal Department has once again changed its structure. Henry Brislin has been added as Staff Attorney and has given relief to Frank Zetelski, the City Attorney, and has assisted me with certain projects. Henry as Staff Attorney has been a welcome addition and provides a benefit to the City at no extra cost. Our offices have also changed to a better suited location. The Legal Department moved to where the Department of Public Works Offices were located and Public Works took over our offices and the old Conference Room. The move has enabled this Department to serve the City more efficiently.

As Assistant City Attorney, I continue to advise and counsel the Board of Aldermen, Board of Civil Authority, Planning Commission, Board of Liquor Control Commissioners and the committees thereof as well as many administrative committees.

The progress of the zoning regulations has been slowed and referred back to the Planning Commission with comment from the Charter and Ordinance Committee. This office has been involved with proposed zoning regulations and will continue to do so as the process moves back to the Planning Commission to explain the Charter and Ordinance Committee's concerns and comments. This office, along with the City Attorney, split

duties regarding the Zoning Board of Adjustment and variance appeals.

Further, this office continues its efforts regarding enforcement of local ordinances. To help with this increased enforcement, the recodification of the local ordinances and charter continues as well. This process involves the revision of the ordinances and charter for better control of local issues. This recodification will update and correct any ambiguities, vagueness and inconsistencies within the ordinances and some charter provisions and will enable this office to enforce those situations that are now difficult to prosecute because of such ambiguities, vagueness and inconsistencies.

Also, new legislation was implemented this past year that allows municipalities to designate ordinances as civil rather than criminal. This office is in the process along with its recodification of designating relevant ordinances as civil. This will facilitate enforcement of local violations.

Again, I have enjoyed yet another year and look forward to this coming year and its challenges.

Thanks are due to each member of the Board of Aldermen, Mayor Wennberg, all City Department Heads and the City Clerk's and Treasurer's Offices for their support and assistance and special appreciation to our secretary who has endured through the increased work load and changes.

Office of the City Clerk

Rosemary F. Finley, C.M.C, City Clerk

To the Citizens of the City of Rutland:

The following is the report of the office of City Clerk for the year ending June 30, 1994.

LAND RECORDS:

9,500 pages of land records were recorded and microfilmed.

MEETING MINUTES:

Minutes of the following meetings were taken and recorded:

- 31 Board of Finance
- 26 Board of Aldermen
- 16 Board of Highway Commissioners
- 5 Public Hearings/Board of Aldermen
- 7 Board of Civil Authority
- 12 Board for Abatement of Taxes

VAULT RESEARCH:

During the year 2,680 people signed into the City Clerk's vault to do research in our land records and vital records.

VITAL RECORDS (Calendar Year 1993):

Births (748 Total):

- 222 Resident Births
- 526 Non-resident Births

Deaths (527 Total):

- 243 Resident Deaths
- 284 Non-resident Deaths

Marriages (179 Total):

LICENSES:

Licenses issued to date for the current license year are as follows:

- 56 First Class Beverage Licenses
- 33 Second Class Beverage Licenses
- 76 Tobacco Licenses
- 1,226 Dog Licenses
- 1 Bowling Alley (32 Lanes)
- 1 Circus
- 21 Coin Machine (covering 94 games or video machines)
- 1 Fair License (10 day)
- 1 Fair Concession Blanket License
- 1 Fair Midway Blanket License
- 10 Hotel/Motel/Inn

- 26 Peddler/Solicitor
- 22 Pool Table
- 106 Restaurant
- 21 Retail Meat
- 9 Taxi/Limousine (covering 21 vehicles)
- 2 Theater
- 2 Transient Merchant
- 2 Wholesale Meat

ELECTIONS:

Voter Checklist Purge. In December 1993 the Board of Civil Authority purged the City voter checklist of 771 voters who had not voted in at least four years and whose eligibility to vote in the City was not verifiable.

March 1994 Annual City Election. 11,056 voters were eligible to vote in the Annual City Election held March 1, 1994; 3,625 voters cast ballots. 213 voters voted by absentee ballot.

The following officers were elected:

Aldermen:

Sharon Davis, Bill Gillam, Samuel Gorruso
Kevin Jones, David Sagi

School Commissioner:

Three-year term:

Cheryl Bourgoin, William Meub, Madeline Sherman, Alton Wilkinson

Two-year term:

John Sanborn

Voters approved funding for the following agencies:

Association for Retarded Citizens	\$ 25,900
Marble Valley	
Regional Transit District	46,140
Regional Ambulance	109,380
Rutland Area Hospice	8,000
Rutland Area Visiting Nurses	35,000
Rutland County	
Women's Network & Shelter	10,000
Programs for the Aging:	
One to One	6,000
RSVP	8,475
Council on Aging	20,000
Interage	2,500

Voters denied funding in the amount of \$9,115 to Bennington-Rutland Opportunity Council.

Voters approved the adoption of legislation to require a local vote before any law requiring the expenditure of local funds for state purposes and that state land be subject to the property tax unless an exemption is approved by the voters of the municipality in which the land is located.

Voters defeated an article requiring the Mayor and Board of Aldermen to take steps necessary to make certain the waste-to-energy incinerator on Greens Hill Lane resumes operations, provides jobs, and pays taxes to the City of Rutland.

ORDINANCE AMENDMENTS

The Board of Aldermen adopted the following ordinance amendments:

- No. 178 To amend Title 17 Sewer Discharge Capacity Allocations §3419
- No. 179 To repeal Title 23, Chapter 4, Burglar Alarm Systems §4170-4178 and enact in its place Title 23, Chapter 4 §4180-4186
- No. 180 To amend Title 25 §4508 Posting Advertisements, Bills on Private or Public Property

Emergency Management Report

Ira I Earle III, Director, Emergency Management

To the Honorable City Council and Citizens of Rutland:

I respectfully submit the Annual Report for the Department of Emergency Management for the fiscal year ending June 30, 1994.

Throughout the time from July of 1993-June 1994 the Department was called on for many different types of emergencies most usually for helping citizens of house fires to locate shelter and clothing as needed. However, there were several unusual emergencies during this period that gave this department an opportunity to more fully use its resources, such as the emergency operations plan. The plan was activated on several occasions for spills or releases of hazardous materials.

The past winter the Mayor's Emergency Fuel fund was used more than had been recorded in many years, even more than last year which was a record year. Cold weather started in early November and did not let up until the middle of March. This fund, through the generous contributions of the area Ecumenical Council and others, was able to help sixty-two (62) families through the heating season.

Spring began with high water from several days of rain, snow melt and warm weather, although the water was high in several areas and the possibility of evacuation from these areas was imminent, evacuation was not needed.

As safety director for the City of Rutland some new programs have been started. We have formed a safety committee, which includes members of both labor and management from all departments in city government. This committee meets regularly on a monthly basis. The goal is to make "safety always first."

This office has worked with the Vermont Emergency Management and the EPA to obtain training for the emergency services agencies. Several emergency service schools were held for the police, fire and dpw such as Haz-Mat awareness, cameo (computer aided management

of emergency operations), blood-borne pathogens, confined space entry and others, which are mandated by federal law. As these classes or courses become more available, this office will continue to help emergency departments in our area in sending personnel, to maintain top grade emergency response personnel. As Director of Emergency Management, I have attended several emergency management schools and seminars throughout the year which are mandatory for the city to maintain EMA status.

As chairman of the Local Emergency Planning Committee, I was able to obtain a grant in the amount of \$24,750 for re-writing and reviewing all the town plans including Rutland City. Federal law mandates that these plans be reviewed and exercised once a year.

In conclusion, the office of Emergency Management has worked with other agencies in controlling emergency situations such as spills and releases of hazardous materials, fires, and natural disasters. Some of the agencies involved were CVPS, Red Cross, Salvation Army, BROCC, GE and the petroleum dealers. Thank you for your resources and assistance.

Rutland Fire Department

Gerald T. Lloyd, Chief Engineer

To the Honorable Board of Aldermen and the Citizens of the City of Rutland:

I respectfully submit the annual report for the City of Rutland Fire Department for the fiscal year June 30, 1993 through July 1, 1994. During the past year your fire department responded to a total of 646 emergency fire calls, 103 heavy rescue and extrication calls, 1,214 citizen assistance calls, and 44 electrical inspections. This department was also involved with the handling of 54 hazardous materials incidents, the most serious taking place on June 13, 1994 when a transport vehicle carrying a transformer had the transformer fall from the vehicle at the corner of West and North Main Streets. At that time this intersection was closed for approximately twenty-four hours, requiring a massive clean-up effort that was coordinated between the Rutland City Emergency Management Office, Vt. State Dept. of Labor and Industry, Vt. State Environmental Agency, Central Vermont Public Service clean-up crews, and members of this department. The situation was successfully brought to a conclusion after tests were taken and it was determined that there were no health hazards to our citizens at that location.

Our department responded to four General Alarm fires. The first taking place at the Little Naples Restaurant in Mendon, Vt., on December 26, 1993. The department also responded to General Alarms at the Cortina Apartments in Mendon on January 13, 1994; 104 South Street on January 20, 1994; and 51 Prospect Street on March 27, 1994. The department also had six, ten-man call-back responses to structure fires during the fiscal year.

Because of the severe cold and snowy weather conditions that we experienced during the past year, this placed an additional burden on our firefighters while suppressing these fire incidents. Despite the large number of fires, members of this department did not sustain any serious injuries, and there was no major damage to our vehicles or other firefighting equipment.

Our ongoing fire training program has continued, and most members of this department have taken the challenge examinations for units one through three of level One. Individuals who have successfully completed this training are now

in the process of preparing for the challenge examination for units four and five of Level One.

Firefighters Ernest Cioffi, Francis Cioffi, Jr., and Lawrence DellVeneri have successfully completed the required instructors training program and are now certified to conduct in-house training programs, with certificates of completion issued by the State of Vermont Fire Training Council.

The department at the present time is in the process of completing a recertification of the Awareness Level for Hazardous Materials First Response. An Incident Command training course is scheduled for all members of this department to start sometime in September 1994 and should be completed in October 1994.

Our ongoing fire education program, under the direction of Capt. Gary Gregario and Lt. Michael Walsh, was again this year provided to all students in grades K through four who were enrolled in the Rutland City School system. This program was provided by firefighters and fire officers of this department and was well received. A great deal of interest was displayed by the students, parents, and teachers of our school system. During Fire Prevention Week, approximately 1,100 booklets and fire prevention information were distributed to the participating students.

Once again this year, the American Legion Post 31 has provided this department a generous donation in the amount of \$1,000 in the name of the late Chief Alfred H. Koltonski. This donation will be used to purchase software for our computer system.

Father Raymond Giroux, who has served as the Chaplain/Captain for the City of Rutland Fire Department for the past five years, has been transferred to a parish in South Burlington, Vt. He will therefore be unable to serve this department in his capacity as a spiritual advisor. Father Giroux's dedication to this department and the fire service will always be remembered and he will always be considered a special part of this organization. The members of this department wish him well at his new parish assignment.

On January 22, 1993, the passing of a dear friend and a longtime call firefighter took place

when Edward Pike responded to his final alarm. Ed became a part-time firefighter in 1926, and was appointed a substitute call firefighter in 1935, and served in that capacity until the date of his death. Although Ed was a very successful insurance agent, his first love was to be associated with the fire service, and to serve his community as an on-call, part-time firefighter. He was very knowledgeable in the working of the fire alarm system, and was particularly helpful when this

department was being certified for our ISO ratings. He will be sorely missed by the members of this department, and the individuals who knew him and respected his contributions to this department.

I wish to thank the members of this department, Mayor Jeffrey Wennberg, the members of our city council, and the other department heads for their cooperation and assistance during the past year.

Report of the Purchasing Agent

Susan O. Eckhardt, Purchasing Agent

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

This office has been very busy assisting departments in procuring quality products at the lowest possible prices. Increasing vendor participation and competition has helped create better buying opportunities.

During fiscal year 1994 the Purchasing Office approved 2,811 Purchase Orders. They were used as follows:

- 1137 Department of Public Works
- 676 Recreation Department
- 308 Fire Department
- 296 Police Department
- 105 Building & Zoning
- 78 Treasurer's Office
- 61 City Clerk's Office
- 50 Attorney's Office
- 30 Community Development
- 25 Mayor's Office
- 25 Emergency Management
- 15 Purchasing
- 5 Assessor's Office

The department also issued Invitations to Bid for 75 different items ranging from Acetylene to Zinc Orthophosphate.

Whenever it will provide savings to the City, the State of Vermont Purchasing Department extends its bids and joint bidding is done with the Rutland City School Department. The list of items includes lightbulbs, tires, highway materials, janitorial supplies, No. 2 Fuel Oil, Propane, Kerosene, copier paper, and Photo Copier Contracts.

This year Purchasing has been involved in compiling information for the Rutland Region Inter-municipal Purchasing Compact along with area towns, schools and private businesses to pool our resources and increase our buying power. The joint purchasing of fuel oil, highway materials, copier paper and janitorial supplies could save everyone money.

I would like to thank the Board of Aldermen and Mayor Wennberg for their continued interest and support of more progressive financial management, the department heads and personnel for their constant cooperation, assistance, and input.

Planning Commission

C. Austin Burbank, Chair

Health Officer

Pamela J. Petrie, Health Officer

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

I hereby submit the annual report of the Health Officer for the fiscal year ending June 30, 1994.

The Board of Health consists of Robert Beauchamp, R. Ph., Ernest Bove, M.D., and Gordon B. Smith, M.D. This board acts in a supportive role by assisting and advising the Health Officer in matters regarding public health.

Throughout this past year, both the Health Officer and the Board of Health have maintained close supervision over the weekly testing of City water, with the cooperation of the water treatment manager. The Board is continuing to keep abreast of the progress of the City Water Department in its efforts to comply with the mandates of the Safe Drinking Water Act.

During this last year, we again have had numerous public health nuisance allegations requiring investigation, some of which have involved the help of the Department of Health in Burlington. The bulk of these complaints concern the improper disposition of refuse and the ensuing problems which result from this. However, one of the other major problems which faced us this past winter was the cold and heavy snows. Both of which caused numerous problems from lack of heat to frozen water services.

We are in the final stages of preparation for the rabies epidemic which is now very close

to us. All parties involved have been working closely together to eliminate any problems which may arise once the epidemic strikes our area.

On behalf of the Board of Health and myself, I would like to thank Mayor Wennberg, the Board of Aldermen, all City Department Heads, and their personnel for their continued support. In closing, I would again like to thank the many concerned citizens of this city for their assistance, cooperation and support, for without their help, many of the health issues would go unresolved.

Milk Inspector

Pamela J. Petrie, Milk Inspector

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

I respectfully submit the annual report of the Milk Inspector for the fiscal year ending June 30, 1994. The milk inspector is responsible for all the annual licensing of all businesses in the City of Rutland which process or sell milk or milk products. As most of our milk producers are located outside of the city limits, we have

been fortunate to obtain the necessary testing reports on these milk products determining that they meet all state requirements.

One hundred thirty-three annual milk licenses were issued and 27 milk licenses issued at the Rutland Fair, with no problem being reported!

City Assessor's Office

Barry J. Keefe, City Assessor

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

I am pleased to submit the annual report of the Assessor's Office for the fiscal year ending June 30, 1994.

The Grand List at April 1, 1994 totaled \$686 million, an increase of \$8 million over the 1993 Grand List. The increase was centered primarily in new construction and renovations in the downtown district including Howe Center along with smaller scale building and improvements city-wide. An encouraging note for the future is that two of the larger projects as of April 1, 1994 were entered on a percentage completion basis. That, coupled with the plans on the board for the Plaza insure sustained growth.

In analyzing the real estate transfers for the year ending April 1, 1994 values in the City appear to be approaching the level of values listed in 1988, the most recent City-wide reappraisal. However, the volume of legitimate arms-length transactions have remained relatively the same

from the previous year. The peak of the bell curve reached during 1990-1991, coupled with valid sales data collected since that period, indicates that the City continues to be reasonably equitable based on the 1988 reappraisal. Accordingly, a City-wide reappraisal is not contemplated for years into the future.

The Assessor's Office continues to improve our data base information capability, and efforts are under way to fine tune our computerized State reporting functions in an effort to better serve our citizenry.

I wish to express my appreciation to the citizens of Rutland, Mayor Wennberg, the Board of Aldermen, the City Treasurer and Clerk's Offices for their courtesy and cooperation.

Special thanks to my associate, Margaret "Peg" Cillo, who serves the citizens of Rutland with skilled knowledge, dedication and the highest sense of responsibility.

Police Department

Robert R. Holmes, Chief of Police

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

It is again my pleasure to submit the Rutland City Police Department Annual Report to the Mayor, Jeffrey Wennberg, the Honorable Board of Aldermen, and the Citizens of Rutland.

Fiscal Year 1993-1994 marked the fourth consecutive year the Police Department has endured a reduction in force due to economic adversity. Our police officer position (the downtown beat/parking enforcement officer position) was eliminated and the B.C.I. Commander Position was reduced from Lieutenant to Sergeant in the budget process. This brought the total authorized positions in the Department down from 36 to 35 sworn officers and 9 non-sworn civilian positions. The reduction was accomplished without the need to lay off any personnel.

With the construction of a new Price Chopper Supermarket in the Rutland Shopping Plaza and reconfiguration of the Plaza parking lot, coupled with the impending construction of a new Central Vermont Public Service Headquarters

building on the K-Mart site, the Plaza enforcement duties were lessened. This enabled the Parking Deck Attendant to assume the downtown parking enforcement responsibility, thereby minimizing the impact of the loss of the beat officer position.

Also, to offset some of the impact of the reduction in force in recent years, Detective LaMoria, who has been assigned to the Southern Vermont Drug Task Force, was returned to the Criminal Investigations Division full time. His primary responsibility, drug enforcement, remains the same, but confined to City Police cases. This has enabled LaMoria to assist B.C.I. investigations in other cases as needed and to coordinate all other criminal cases related to or involving drug use.

Overall enforcement by the Department was off from last year. Total arrests were down 20.2% and motor vehicle violation tickets issued were down 26.2%. Traffic accidents increased

RUTLAND POLICE COMMISSION

Left to right: Dr. Edward K. Reiman, Mary Goodwin, R. Richard Smith, Sister Judy Levins, and Edward Grover

15.2% and total incidents requiring police response decreased 9.1%. There were no fatal accidents in FY 1993-94 and the number of reported crimes decreased by 4.4% including an 11.5% decrease in Part I crimes.

These statistics are consistent with crime trends throughout the state and nation. However, they are significant when realizing that FY 1993-94 followed two years of remarkable decrease in Rutland. The number of Part I crimes occurring in FY 1993-94 was 47.6% less than occurred in Rutland in FY 1990-91, and the total crimes were 35.1% lower than three years ago.

The public attitude toward police appears to have remained good. Citizen allegations of police misconduct was down 45% for a total of

only 11 complaints in the twelve-month period. Citizen commendations increased 3.7%.

For a police department with diminishing resources to sustain a high level of service and continuously influence a reduction in crime over a four-year period is remarkable. It has been accomplished primarily through the dedicated effort of every employee for which I am extremely proud and grateful.

I also extend my sincere thanks to Chairman R. Richard Smith and the Rutland Police Commission for their tremendous support and leadership, and to Mayor Wennberg and the members of the Board of Aldermen for their continued support and assistance throughout the years.

Department of Public Works

Robert J. Navin, Commissioner of Public Works

To the Honorable Board of Aldermen and the Citizens of the City of Rutland:

I hereby submit the annual report of the activities of the Department of Public Works for Fiscal Year 1993-94.

The Department of Public Works provides a variety of basic services to the Citizens of Rutland. Among them are day to day maintenance of City Streets, Sewer Collection Mains and Water Distribution Mains, the Wastewater Treatment Plant, the area comprising the City's Watershed and the Water Treatment Plant. In addition, the Department responds to citizen complaints on a daily basis and emer-

gency situations on a 24-hour basis. Citizens are reminded to contact the Police Department for emergency situations when the Department's business office is closed.

A special note of thanks is extended to the Public Works employees, Mayor, Board of Aldermen and Citizens of Rutland who have assisted the department.

The Department of Public Works should and will continue to serve the Citizens of the City of Rutland to the best of its ability.

Engineering

Warren E. Conner, City Engineer

Alan Shelvey, Assistant City Engineer

The Engineering Division under the direction of City Engineer Warren Conner provides survey, design, and other engineering and technical services for each division of this Department and for all other Departments within City government.

As part of these services the Engineering Division compiles and constantly updates plans and records of the water distribution system, sanitary and stormwater sewer systems, water and sewage treatment facilities, and the city street system. In addition, the Division reviews all developments in the city's watershed.

The Division also reviews and oversees water and sewer designs and specifications for projects let out to bid, and for streets and utilities built by developers which are to be taken over by the city upon completion.

Contracts, easements, deeds and other documents required for the completion of various City projects are prepared by this Division in conjunction with the Office of the City Attorney.

The ongoing groundwater quality monitoring in the vicinity of the former city landfill is another responsibility of this Division.

The first phase of the City's combined sewer overflow (CSO) abatement project which includes an additional force main from the River

Street pump station to the treatment plant and a new grit removal facility was completed and put on line this fiscal year. This project will reduce the amount of sewer-contaminated storm water which overflows into Otter Creek during rainstorms and heavy snow-melt. It was constructed in compliance with State and Federal mandates designed to address these problems. The cost for Phase I was \$1,400,000 which was funded by 25% State and Federal monies and 75% City funds paid through sewer treatment user fees. Construction inspection of this project was done by Dufresne-Henry, Inc. with oversight by this Division.

This Division is working closely with the Vermont Agency of Natural Resources in monitoring the effectiveness of the Phase I CSO in order to develop a Phase 2 that will further reduce or eliminate the overflows in order to comply with the regulations at the lowest possible cost to the rate payer.

Construction of the new Water Treatment Facility is underway and is expected to be completed in December of 1994. After an extended period of start-up, testing and monitoring, the plant will be put on line in April of 1995. This project, which consists of the construction of a slow sand filter, control building with laboratory, water storage tank, provisions for an emergency

water supply and improvements to the raw water intake was mandated under the Federal Safe Drinking Water Act. Bids were received in November of 1993 and the contract awarded to the low bidder—T. Buck Construction, Inc., of Bridgeton, Maine—in the amount of \$5,977,800. Funding for this project is provided as follows: 35% State and 65% City funds paid through water rates.

The project was designed by Wright Engineering, Ltd. of Rutland with input from this Division and Dr. W. Robin Collins of the University of New Hampshire, one of the world's leading authorities on slow sand filtration and co-author of the American Water Works Association's *Manual of Design of Slow Sand Filtration*.

Simply speaking, a slow sand filter is a large concrete box containing sand through which the raw water is passed. While some contaminants are removed as a result of filtration in the sand, the most effective portion of the filter is the top six inches or so where a biologically active layer called the "schmutzdecke" accumulates and provides very effective removal of bacteria, viruses, cysts, etc. Its operation is strictly by gravity. No pumps, special chemicals or other machinery is required, nor is the process labor intensive, therefore operational costs are low. Once the plant is in full operation, we anticipate a reduction in the amount of chlorine required, no increase in electrical usage and no increase in staffing.

This Division continues to work closely with the Administration, the Rutland Redevelopment Authority, Rutland School System, Marble Valley Regional Transit District, State of Vermont, and various consultants and contractors on several exciting projects, both public and private, that will undoubtedly result in the most dramatic and far reaching changes in the City of Rutland since the railroad arrived in the early 1800s.

As this fiscal year ended on June 30th, the

long awaited improvements to Woodstock Avenue were nearing completion as were the improvements to Stratton Road including the sidewalks being installed in conjunction with the new High School, which opened in September.

The reconstruction and relocation of the curbs and sidewalk at the intersection of Woodstock Avenue and North Main Street has greatly improved the efficiency of that intersection, especially as it affects large truck-turning maneuvers.

The traffic circulation and signalization study being conducted by Clough Harbor Associates is well under way. This is the first comprehensive area-wide study of its kind that has been undertaken since the TOPICS program of the early 1970s. The results of this study will be used to modify and update the existing transportation system to efficiently serve the Rutland of the 1990s. Preliminary recommendations include a mix of traffic control modifications, street widening and intersection improvements. Actual construction is anticipated to start in fiscal year 1995-96 and will be funded 100% by the Federal Government.

Other significant projects that we have had the pleasure of being involved with include: Spruce Street Extension which includes storm sewer separation, new CVPS Corporate Headquarters, continued improvements to the Downtown Plaza, West Street Parking Garage and Transit Center, and the C.H.P. medical facilities on Stratton Road. It is expected that all of these projects will be completed or under construction during the next fiscal year.

The Division reviewed 241 building permits in conjunction with the Building Inspector's Office.

The Engineering Staff consists of Warren Conner, Alan Shelvey, John Havens and Peter Kelley, who together represent over 76 years of service to the City.

City Forest and City Ornamental Trees

David Richards, City Forester

The City Forester is in charge of all forestry work including management of the city's ornamental trees and the 4,000 acres of the city forest in the watershed.

The sale of all timber in the Rutland City Municipal Forest is carried out under approved

watershed management practices to provide a regulated harvest of timber products and to protect and insure maximum sustained yields of usable water. Timber sales include sawlogs, firewood and pulpwood. Sales are marked out so as to improve the timber stand which remains

while providing income for the City. Trees over 8" in diameter at breast height which do not promise to develop into sawtimber quality stems are removed. Large straight trees are left to become more valuable and to provide genetically superior seedlings.

The Vo-Tech School's forestry program continues to use the Rutland City Forest to train students in logging techniques.

There were three (3) timber sales on City forest land during the year, the contractor and the amount of money to be paid are as follows:

Timothy Poczobut Rutland, Vermont	\$15,210.00
Tom Grace Proctor, Vermont	\$10,010.00
Shawn Poczobut Rutland, Vermont	\$14,800.00

There is one (1) active sale timber sale from the previous fiscal year still being worked on. The operator is Timothy Poczobut of Rutland and he paid \$64,000.00 for the sale.

All money received from timber sales goes into the water fund.

Under the City's ornamental tree program we have tried to maintain the beauty of our City by properly caring for our trees. This includes removal of dead and dying trees, removal of dead limbs, installing metal cables or metal rods to prevent splitting, removing low hanging limbs for street and sidewalk clearance, fertilizing trees and planting new trees.

The City of Rutland received the honor of being named "1993 Tree City USA". To receive the award a city or town must meet the following criteria:

1. A Tree Commission or similar Department with legal status which implements an

annual work plan to care for and maintain the community's trees.

2. A Tree Ordinance.
3. A Community Forestry program.
4. An Arbor Day Observance or proclamation.

During the fiscal year the City implemented two (2) federal grants which are administered by the State of Vermont. The grants were as follows:

- a) Planted twenty (20) 2"-2½" caliper trees along West Street.
- b) Hired a consultant to identify large shade trees within twenty (20) feet of the edge of the road located on private property which contribute much to the shade and esthetics of the street. He recorded species of tree, size, location, condition and tree work which should be done. It is hoped at some point the City can make agreements with some of these people to preserve the trees.

The City received one (1) other federal grant which has not been implemented at this time. The grant is to plant fifty (50) 2"-2½" caliper trees along Main Street (Route 7) and Woodstock Avenue (Route 4) using a wide variety of trees.

Our tree program suffered a significant setback this spring when money budgeted and approved for tree planting was made unavailable. This action effectively canceled the spring portion of the annual shade tree planting program and resulted in less than one half the number of trees being planted than had been planned. Nevertheless, 101 new trees were planted in 1993-1994 (compared to 248 the previous year).

Streets Division

Paul Julius, Foreman

Hot Mix Bituminous Concrete Paving Program:

Major work accomplished by the Streets Department include the following items:

Bituminous concrete (hot mix) the paving of selected streets totaling over 5,694.08 tons of hot mix paving put in place by Pike Industries. The streets paved as portions or portions of were:

Brown Street	Nicole Street
South Street	Jasmin Lane
Royce Street	Killington Ave.
Woodstock Ave.	Morse Place
N. Main St.	Stratton Rd.
Library Ave.	Harrison Ave.
Grove St.	Nelson Place

The total cost for paving was \$182,210.56.

The streets division also installed approximately 2,200 feet of concrete curbs and sidewalks. They also installed approximately 28 handicap ramps throughout the City.

The Department personnel responds to calls from the Police Department for filling holes, small repairs, tree removal and storm damage.

The Department sets out barricades and stands for parades, sidewalk sales, special events and election booths for elections.

The Street Department also maintains the City Parking Deck, street signs, and painting of lines in streets.

The Street Department also gives support to

other divisions with men and equipment as needed.

Snow and Ice Removal

The snow crews again put forth an admirable effort on behalf of the citizens of the City to keep streets and sidewalks open for schools, business and pleasure. Much of the work is done in the hours when many of us are sleeping through the storms, so we only see the result—clean roads and walkways.

Due to a very hard winter we spent a total of \$166,483.39 in de-icer materials. Our de-icer materials were supplied by Cargill Salt, Inc.

Wastewater Treatment Division

Lewis Hotaling, Chief Operator

Mike Garofano, Lab Director

Over the past year the Wastewater Treatment Facility recycled a total of 1,771,270,000 gallons of water.

The following chemicals were used to aid in the treatment of the wastewater stream:

Sodium Hypochlorite (for disinfection)	43,015 gal.
Sodium Bi-Sulfite (for dechlorination)	26,806 gal.
Ferric Chloride (for phosphorus removal)	132,005 gal.

The wastewater facilities were inspected by the Vermont Department of Environmental Conservation and were found to be in excellent condition both physically and operationally.

With the new stormwater and phosphorus facilities being completed and put into operation, more of our attention has been focused on the maintenance and repair of the older treatment units. Sludge Digester 1 & 2 were both pumped out and cleaned. All interior and some of the exterior gas piping was replaced by plant personnel. It is planned to do the same work on Digester 3 and the secondary before the coming winter.

Three of the five pumps at the River Street Pump Station were replaced this year. The re-

maining two will be replaced next year. The original pumps were installed in 1963.

Treatment units in the older headworks area at the plant were rehabilitated with new parts including the mechanical bar screen and the grit washers.

For the fourth straight year, the Green Mountain Boys, Rutland's team of wastewater treatment plant operators, won the State and New England championships in the 1993 Operators Challenge Competition. After doing so, the team flew to Anaheim, California, to compete in the Division I National Competition. They placed eighth overall, against teams from some of the largest cities in our country.

The team members include Captain Ed Savage, Michael Garofano, and Arthur Nemeth, all from this facility, and Jim Jutras, a Rutland City resident who operates the Essex Junction Wastewater Plant.

We are very proud of these operators for their accomplishment, and for the positive recognition that they have brought to the city on a national scale.

I would like to thank all of the workers at this facility, as well as the Public Works Commissioner, Mayor, and Board of Aldermen for their hard work and support which has resulted in another successful year of operations.

Wastewater Collection Branch

James Ward, Chief

The Wastewater Collection Branch has completed the following work for fiscal year 1993-1994 with the following employees:

Sewer Specialists:

Tyler Earle
Robert T. Tyler, Sr.
Steve Davine
Fred Wood

Backhoe Operators:

William Santwire and Tom Brown

Cleaning sewers, maintaining and cleaning basins with Vactor, snow removal and sanding for Street Division.

Repair Basins	26	
Total footage of pipe		51'
Replace Basins	18	
Total footage of pipe		182'
Repairs to Sanitary Mains & Service	33	
Total Footage of pipe		125 1'
Repairs to Storm Sewers	8	
Total Footage of pipe		67'
Repair Manholes	11	
Total footage of pipe		8'
Replace Manholes	7	
Response to sewer problems	43	

Water Distribution Division

Bruce Matt, Manager

Robert Harvey, Foreman

Fire Hydrants

The entire system was checked during the year, once to ensure ease of operation and flow conditions.

Metering

There are approximately 20,000 meters to be read during the year, with related customer complaints, repairs, etc. to be taken care of.

Water Maintenance Specialists:

James Lawrence
Kevin Schaner
William Franzoni

Heavy Equipment Operator:

Donald Roberts

Truck Driver

The severe and lengthy sub-zero weather conditions of this past winter put a heavy work

load on Water Department personnel. Digging and replacing frozen water mains and services, also thawing of 100 water services.

This work continued well into May when a heavy wood construction period began with water main reconstruction related to the new high school.

Thanks again to Water Department personnel who worked long hours under extreme weather conditions to correct these problems.

Comparative figures for the past three years work programs are:

	91-92	92-93	93-94
Main Replacements	650'		300'
New Hydrants	6	12	10
Hydrants Repaired	28	25	20
New Service	11	25	14
Relay Services			19
Repair Curb Boxes	71	76	53
Replace Curb Boxes	18	21	36
New Meters	66	52	35
Repair Mains	32	31	39
Replace Meters	143	177	183
Repaired Meters	70	74	51

Rutland Recreation & Parks Department

John W. Cioffredi, Superintendent

To the Honorable City Council and Citizens of Rutland:

It is with great pride and satisfaction that I submit my 34th and final Annual Report for the City of Rutland Recreation and Parks Department for year ending June 30, 1994.

FACILITIES

Edwin W. Lawrence Recreation Center

86 Center St., Box 791

Phone 773-1822 / Fax 775-2030

Department Offices, Meeting Rooms, and Gymnasium.

Godnick Senior/Adult Center

Off Deer St. / Phone 773-1853

Meeting Rooms, Craft Room, Meal Site

Park Area: Shuffleboard Courts, Horseshoe Pits, Gazebo and Picnic Area.

Giorgetti Park

Located off Oak St. Extension

2 Basketball Courts, 2 Paddleball Courts, 1 Baseball Field, 1 Softball Field, Nature Trails, and Ice Skating Rink.

Monsignor Connor Park

Meadow Street

2 Lighted Basketball Courts, 3 Lighted Tennis Courts, 1 Wading Pool, 2 Softball Fields, and Playground Apparatus.

John W. Cioffredi Park

Located off Temple Street

2 Softball Fields

White's Memorial Park

Off Avenue B

Swimming and Wading Pools, Playground Apparatus, 1 Ball Field, 5 Tennis Courts, 2 Platform Tennis Courts, and 2 Basketball Courts.

Rotary Park

Off North Street

4 Tennis Courts, Field House, Playground Equipment, 1 Basketball Court, Lighted Softball Field and 2 Handball Walls, Lighted Remote Control Car Race Track.

Mini Parks

Corner of River and Meadow Streets

Corner of Madison and Prospect Streets

Designed for children ages 7 and under.

Main Street Park

Main Street

Gazebo, Benches, and Picnic Area.

Center St. Alley Park

Downtown Rutland

Waterfall, Benches and Picnic Area, with Summer Concerts and Performances.

Depot Park

Downtown Rutland

Bench Area, Farmer's Market location on Wednesdays and Saturdays during spring, summer, and fall.

Alexander Keefe Memorial Park

Water Street

Playground Area with Climbing Structure

YOUTH ACTIVITIES FOR FALL AND WINTER

Children's Play Group	Parent/Child
Adventures of Tom Turkey	Ages 3-5
Totnastics	Ages 3-4
Gymnastics	Ages 5-13
After-School Program	Grades 1-6
Beginning Drawing	Grades 1-4
Saturday Crafts	Grades 1-4
Gingerbread House Crafts	Grades K-2
Babysitting Course	Ages 10-13
Girls' Basketball League	Grades 3-8
Girls'/Boys' Mini BB Camps	Grades 3-6
Girls'/Boys' Sr. High	
Intra-Mural Basketball	Grades 9-12
Basketball League	Grades 3-6
In-Line Hockey	Ages 6-18
In-Line Skating/Skiing	Ages 6-18
Flag Football	Grades 5-8
Soccer Leagues	Grades 1-8
Junior High Dances	Grades 7-8
Calligraphy	Jr. High-Up
Ice Skating Lessons	Ages 6-Up
Boating Safety Course	Ages 17-Up
Recreational Ice Skating	All Ages
Recreational Rollerblading	All Ages

SPECIAL EVENTS

Programs run in conjunction with the Rutland Free Library, Rutland Public Schools, and Rutland Area Cultural Alliance for ages 4-up.

Stephen Stearns	November 6
Starbird Puppet Theatre	December 11
Bennington Marionettes	February 12

HALLOWEEN EVENTS

Our "34th Halloween Parade" was held November 1 due to inclement weather on October 31. Unfortunately, the weather wasn't much better and many units were unable to participate. Halloween events included "A Haunted Halloween Party" for grades K-4, Haunted Hobgoblin Hike, O'Lantern Contest and party at the Loyal Order of Moose Club. The parade was led off by "Queen" Kasey Janoski of Proctor High who was chosen from area high schools, and ended with this year's "Jack O'Lantern", Steve Marro.

CHRISTMAS EVENTS

Ice Cream Social with Mr. & Mrs. Claus for children age 3-5 on December 18 at the Godnick Center. The RHS Theatre Club presented a few selected plays. Ice cream was served.

"Santa Phone Calls"—December 14 and 16. A direct line to the "North Pole".

"SANTAsia"—Fantasy world of Santa and Mrs. Claus, Santa's elves and Disney storybook characters that come to life.

ADULT ACTIVITIES FOR FALL & WINTER

Adult Volleyball Leagues
Adult Open Gym Hours
Rutland High School / Recreation Center.
Boating Safety
Aerobics
Combination Impact Aerobics
Bench Step Aerobics
Body Toning
Yoga
Golf Practice & Lessons
Square Dancing
Flower Arranging
Christmas Crafts
Ice Skating Lessons
Art in the Park — October

SPRING AND SUMMER EVENTS

White Swimming Pool

The newly refurbished pool opened Saturday, June 11, 1994. Included were a new filter system, storage building, stainless steel gutters, circulation system, two new diving boards, racing lanes, fencing and large picnic area.

Lessons were offered in the following categories: Infant & Toddler Red Cross "Learn to Swim Program", Levels I thru VII; Basic Water Safety & Emergency Water Safety; and Lifeguard Training. Three 3-week sessions of lessons were offered. The City Swim Team, under the direction of Tucker Gilman, competed in the annual Vermont Swim Championships held August 5 and 6 at Dartmouth College. The Rutland team scored more points than any other Recreation Swim team in the State.

"Family Fun in the Sun" nights were held July 8, 22, and August 5, 1993 and June 23, 1994, featuring DJs, hot dogs and soda . . . for the entire family.

Mini Wading Pools

Whites' and Meadow Street Playgrounds

Great Escape Tickets

Offered at a discount in conjunction with the Vermont Recreation and Parks Department!

PLAYGROUND LOCATIONS

Supervised 9 A.M.-2 P.M.

Rotary Park — Off North Street

Monsignor Connor Park — Meadow Street

Northeast School — Off Temple Street

White Park — Off Avenue B

Creative Playgound (Ages 4-5)

Madison Street Mini Park

Two 2-week sessions

Safety City (Ages 4-5)

Rotary Field House

A 2-week program, both mornings and afternoons.

Outdoor Adventure Mobile Camp

Grades 3-4, 5-6, and 7-8

A mobile camp offering hiking, and overnight camping.

Pine Hill Day Camp (9 A.M.-3 P.M.)

A 4-week camp for students in grades 1-8, including special students. Each week has a special theme.

SPORTS PROGRAMS

In-Line Skating Camp

Giorgetti Park

Junior/Senior High: 9 A.M.-Noon

Grades 1-6: 1-4 P.M.

Basketball Camps

Boys: Grades 5-6 and Grades 7-12

Girls: Grades 4-12

Track Camp

Ages 6-9, 10-12, and 13-14

A 2-week session at Vo-Tech track

Hershey: District Meet — July 10

State Meet — July 17

Soccer Camp

Session I: Ages 7-10

Session II: Ages 11-15

Held at Stafford Tech Center.

Field Hockey Camp

A 1-week camp for Grades 7-12

Vo-Tech Field, 9:30 A.M.-4:00 P.M.

Baseball Programs

Mitey Mites (Grades 1-4)

Boys: *Pee Wee's & Rookies*

Girls: *Pigtails & Ponytails*

I would like to express my appreciation to the Mayor, Board of Aldermen, and the Citizens of Rutland for their interest and cooperation these past thirty-four years, and I would publicly like to express my gratitude to my entire staff, specifically Bill Reardon and Betty Mumford, and to any and all volunteers throughout the years. My special appreciation to all employees of City Hall who worked in cooperation with our Department over the years, especially Ron Graves. I would also like to express my appreciation to the Marble Bank for their annual sponsorship of our brochures, and to all the Service and Fraternal clubs for their many contributions and support.

Board of School Commissioners

Dr. Michael R. Dick, President, Board of School Commissioners

Dr. W. Richard Brothers, Superintendent of Schools

To the Citizens of the City of Rutland:

The 1994-95 school year was marked by the completion of the new Rutland High School. The 115,000 square foot facility opened its doors to 900 students on September 1, 1994. Official dedication ceremonies were held on October 8, 1994, presided over by Governor Howard Dean and other local officials.

The new high school, linked on both floors to the Stafford Technical Center, is a technological marvel for student learning. Central to the entire complex is the Information Center representing the traditional collection of library materials supplemented by extensive electronic sources of information, a computer classroom, a student word processing room, and the Multilis Automated Library Cataloging system which links the high school to the Rutland Free Public Library and other collections around the state.

Just as important to the school's future is the internal cable and wire that links all the building's rooms and offices for complete voice and data transmission, both within and without the high school and the Stafford Technical Center.

The new high school and the technical center will truly be an educational campus that all city residents can be proud of for many decades.

Principal Wolk and the staff have also worked diligently on revamping the high school instructional program and the organization of the school day. Students will attend classes in longer blocks of time than the traditional 42-minute periods and on an every other day basis. All 9th and 10th grade students will be exposed to a variety of technical school experiences. Perhaps the most significant change is the Jan Plan, a four-week, all-day program scheduled for January featuring very special and unusual offerings in which students can specialize.

Following the construction of the high school, the 1994-95 school year will be the year of planning and preparation for the reorganization of grades K-6. Intensive rehabilitation work will be done throughout the school year at Library Avenue to prepare the building to receive designated elementary grades. The school commissioners will be arriving at a decision during the fall of 1994 on the placement of the various grades and use of buildings.

The goal of this reorganization plan is to achieve significant operational savings for the city schools in 1995-96 while at the same time enhancing the district's ability to provide equitable educational experiences for the students. This is especially true in all the special areas such as music, art, and library services.

In the area of personnel, the Board of School Commissioners and the Rutland Education Association were able to collaboratively negotiate a three-year bargaining agreement. This contract will extend to June 30, 1997. This positive win-win approach to negotiations resulted in significant changes in negotiations resulting in financial benefits for all parties.

Unfortunately, because state aid to education has not kept pace with cost increases, the 1994-95 school budget and the impact of the school bonds resulted in a larger than usual tax increase to support education. However, through the reorganization plans, retirement incentive plans and new ways to cope with and control health insurance costs, we believe that the district is positioned to keep future increases under control.

In closing, the Board and administration wish to assure city residents we are doing everything possible to maintain a system of quality education for our children.

RUTLAND SCHOOL DEPARTMENT

In accordance with Rutland City Board of Education Policies, a free appropriate public education for all handicapped children is guaranteed. If your child is handicapped, or you know of a handicapped school-age child who is not currently being served, please contact the Pupil Personnel Office at 773-1917.

Marble Valley Regional Transit District, "The Bus"

Lawrence A. Dreier, Administrator MVRTD

Nicholas A. Barone, Representative

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

Marble Valley Regional Transit District (MVRTD), generally known as "The Bus", is entering into its 19th year of service to the residents of the greater Rutland area. MVRTD is the largest non-urban public transportation system in the State of Vermont and as such provides transportation to the general public throughout Rutland County, as well as to Social and Human Service Agencies, schools and area businesses. MVRTD provides an enhanced level of self-sufficiency for the elderly, disabled, and transportation disadvantaged who need transportation or are committed to the environmental benefits of public transit use. MVRTD has become a valued asset to the communities it serves. System ridership has steadily increased in recent years with modifications to "The Bus" fixed route system. Also, many rides are furnished to special needs people. Approximately 437,000 vehicle miles accumulated annually on its fleet of 24 vans and medium duty general transit buses, all of which are lift equipped and fully accessible.

Through its operation of the Rutland County portion of the Vermont Rideshare program, MVRTD has "saved" over 187,000 vehicle miles over the last 12 months by providing carpool options. Of the over 13,000 carpool trips arranged this year, 70% brought commuters into the City of Rutland to work.

MVRTD's free transportation service to eligible Medicaid and Reach-Up individuals has increased from last year's 28,000 rides to over 30,000 rides this year, continuing MVRTD's status as the second largest Medicaid transportation provider in the State of Vermont.

Complementary paratransit services are available for those individuals whose disability prevents the use of fixed route service.

The Multi-Modal Transit Center is proceeding toward becoming a reality which will be an important factor in the economic well being of the City of Rutland. The Multi-Modal Transit Center will provide a transit hub for the City of Rutland and Rutland County. It will also contribute much needed parking for the new State Office Building, other planned projects and the general public with the creation of approximately 600 new parking spaces.

In times of uncertain and expensive energy supplies, environmental issues, traffic congestion, and high costs of road construction, public transit is becoming increasingly more important. We appreciate the financial and moral support of the elected officials and taxpayers of the municipalities that guarantee Marble Valley Regional Transit District's continued success.

Rutland Free Library Association, Inc.

Paula J. Baker, Director

To the Honorable Board of Aldermen, Mayor and Citizens of Rutland:

Dominating all library activities for over a year, the *automation of the library's card files, circulation functions and record-keeping tasks has been successfully completed*. With new cards ready, library users began checking out materials through the automated system in early January. By February, five computers replaced the old card catalogs in both adult and juvenile areas and were enthusiastically received by library users. Numerous training sessions were planned but visitors quickly found that using the computers was very fast and very easy to learn. Rutland had paved the way for the rest of the public libraries in the state.

Enhancements expected to be ready within the coming year include a direct public access link to VALS, the Vermont Automated Library System which allows users to see library holdings all over the state as well as numerous state databases, personalized use of the computers for reserving books and inquiring into one's own record, as well as dial-in access from home or office. By fall the high school library will be directly connected to the public library, giving students, teachers and administrators full access to a very powerful automation package. This shared system, which makes good use of taxpayer dollars, is also the first in the state.

The work, which paves the way for more CD-rom technology and other software programs, will ease the task of any user attempting to do research in the years to come. The information highway is here in Rutland, due to

special support from the City of Rutland, two generous anonymous gifts, and a large grant from the state library as well as thousands of gifts from individuals in the community.

Change has come to the library in another way this year, through the loss of valued staff and the addition of experienced and skilled newcomers. After 23 years as a virtual one-woman institution for children, Carol Chatfield left to become the director of the state library's regional facility for southwestern Vermont. June Osowski, former director of the Chittenden Library and children's librarian at the Sherburne Library joined the staff as the new children's librarian in January. In March Teresa Goulden, former director of the Slater Public Library in Iowa, became the library's first assistant director with responsibility for all programming, outreach services, volunteer efforts and the continued development of the reference department.

The work of the library is evolutionary in nature if it is on its toes, since a community is at once both building on traditional ways and needing new paths at the same time. In the coming year, the board has committed itself to rewriting the library's long-range plan after talks with focus groups about image, needs, gaps, problems and dreams. Automation, while flashy, remains a tool for users to find the information they want for making their lives better. Tax dollars from Rutland City, Rutland Town, Mendon and Ira residents continue to insure that the library door remains open.

Michael McCormack, *Treasurer*
Rutland Free Library Assn., Inc.

Rutland Area Visiting Nurse Association, Inc.

Ronald J. Cioffi, Executive Director

To the Honorable Mayor, Board of Aldermen, and Citizens of Rutland City:

On behalf of the Board of Directors and Staff of the Rutland Area Visiting Nurse Association, I would like to thank you for your continued support of RAVNA.

RAVNA's 47th year of service can best be summed up in one word: CHANGE. Webster's dictionary defines change as "to make different the form, nature, content and future course of something." How appropriately that definition describes 1993! During the past year, our board

and administration have begun implementation of processes to assist RAVNA in dealing with an ever changing environment. This environment includes: rapid growth in service demand, internal restructuring and the uncertainties of health care reform. These factors and others have compelled the Association to reassess our Mission and Statement of Beliefs and to initiate a Strategic Planning process that will help us envision the future and develop the procedures and operations necessary to achieve and create that

future. The board and staff of RAVNA are poised to deal with the uncertainties of what lies ahead and are committed to continue offering what health care reform is striving for, UNIVERSAL ACCESS TO HIGH QUALITY, COST EFFECTIVE CARE.

In reviewing statistics for Rutland City, we see an overall increase in demand for services of 58% from 33,895 total visits in 1991-1992 to 58,774 in 1993-94. We are proud to announce that in spite of our growth and overall spiraling

health care costs, our charge for nursing care remained unchanged for the *fifth* consecutive year.

We are grateful for the volunteer support, city and town allocations, United Way funding, foundation grants and individual and corporate donations which have enabled us to continue offering medically necessary services and community programs, regardless of individual ability to pay or geographic location.

Rutland Redevelopment Authority

Matthew T. Sternberg

To the Honorable Citizens of the City of Rutland:

Rutland Redevelopment Authority respectfully submits this Annual Report for the fiscal year ending June 30, 1994.

During the last year, the redevelopment effort began to show visible results. Years of planning and quiet negotiations yielded the first in what will be a series of major construction projects. Within the next three years, our central business district will undergo changes unparalleled in Rutland in the 20th century. Rutlanders can take pride in what is happening.

In late 1992, final negotiations were completed on a contract between the City, Central Vermont Public Service and Net Realty Trust for a major redevelopment of the Rutland Shopping Plaza. After careful consideration, the Board of Aldermen approved the contract and set the wheels in motion.

Ground was broken for the Plaza renovation in the fall of 1993. Construction continued at a breakneck pace through the winter and in May 1994, Price Chopper Supermarkets cut the ribbon on the largest supermarket in the State of Vermont. Handsomely designed of red brick in a manner reminiscent of the railroad buildings that stood on the site in times past, the store made the first visible statement of the high standards to be applied to new downtown buildings. The community was delighted. In its first months the store has exceeded Price Chopper's expectations.

At the same time, another example of Rutland's push for the future was taking shape on Merchants Row: the new State Office Complex. Blending new construction with one of downtown's most significant historic buildings, the

project makes a clear statement about downtown's ability to provide first class office space in a competitive market. The first tenants will move in at the very beginning of the new fiscal year. By the time next year's annual report is written, the State Office Complex will be a fully operational hub for downtown activity.

Other existing programs continue to produce good results. Rutland Partnership, the non-profit organization that manages the downtown special benefit district under contract to the Redevelopment Authority, has launched the most comprehensive retail enhancement program ever undertaken in Rutland. Professional research is being done to identify specific market opportunities for downtown businesses. This will be followed by an aggressive recruitment effort. Promotions and special events keep downtown in the public eye. Rutland's downtown businesses are working together as never before, with impressive results.

More projects will follow in the coming year. Very quickly, Rutlanders will reap the rewards for their persistence and patience. **Redevelopment will increase the downtown assessment base by more than 60%, generating more than \$750,000 in new tax revenues** and easing the burden on residential properties. Commercial growth brings with it increased opportunities to create new jobs. But perhaps most importantly, these projects will give Rutlanders the high quality downtown they want and deserve. It is an honor for the Redevelopment Authority to be able to assist the Mayor, the Aldermen and the citizens of Rutland in this great undertaking.

Rutland Regional Ambulance Service, Inc.

Paul Kulig, President, Board of Directors

Samuel J. Gorruso, City of Rutland Representative

To the Honorable Citizens of the City of Rutland:

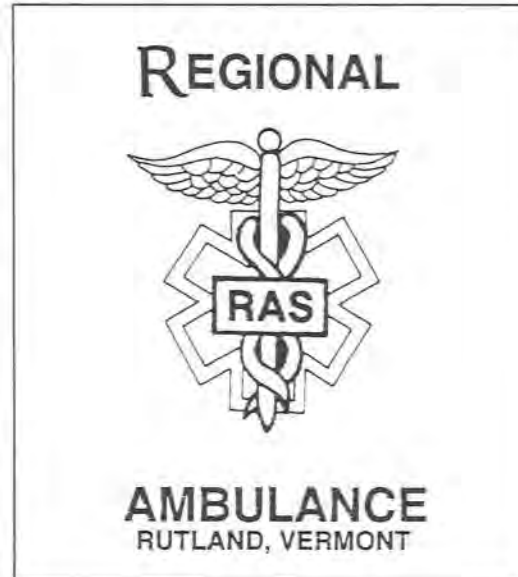

We are pleased to present our annual report to the Citizens of the City of Rutland. Regional Ambulance Service, Inc. has continually provided emergency and non-emergency ambulance service for eleven years. From 1983 to the end of this year Regional has responded to 37,989 ambulance calls. This past year, ending June 30, 1994, the service responded to a total of 5,233 ambulance calls and an additional 1,606 Paramedic intercept calls in our 12 communities.

With the continued support of the citizens, our employees, and community governing bodies, we have level funded and even lowered our assessment rate over the past 10 years. Our current assessment rate is \$6 per capita. We extend our appreciation to everyone for their continued support.

The additional ambulance garage bay was completed and an ambulance, with over 100,000 miles on it, was replaced. Our building was updated with new energy efficient lighting and insulated garage doors were installed. The billing office upgraded their capabilities to do electronic billing to Medicare. These improvements were all made in an effort to cost efficiently and professionally serve the public.

Training is very important for the professional development of our personnel. Over this past year there has been training provided in Pre-Hospital Trauma Life Support, Pediatric Advanced Life Support, Advanced Cardiac Life Support, Bloodborne Pathogens, Emergency Vehicle Operations, and a variety of mandatory training to maintain our personnel's certifications.

Monthly C.P.R. classes are taught at Regional Ambulance. Tours, lectures, demonstrations, and

C.P.R. classes are available for the general public. For further information call 773-1746.

Our professional staff is extremely capable and dedicated. The public is encouraged to visit and talk to the employees and Administrator at our Stratton Road facility. Please feel free to contact James Finger, Administrator, or your representative, Samuel J. Gorruso, if you have any questions concerning the service.

We are proud of our accomplishments and look forward to serving you in the future. The Board of Directors and Administration of Regional Ambulance Service, Inc. will continue striving to provide the highest quality of emergency ambulance care at the lowest possible cost to all of the citizens we serve.

Cemetery Commissioners' Report

Dawn D. Hance, Chairperson

To the Honorable City Council and Citizens of the City of Rutland:

Cemetery maintenance was rather routine this year. However, there are always little problems that keep things interesting. This year was no exception.

Kelly Greene of Greene's Auto and Locksmith was awarded the mowing contract at \$1,500 for thirteen mowings. He also installed new locks on both gates. The cemeteries on North Main and West Streets have looked well-trimmed this summer.

Due to a late winter wind storm a large branch fell from a tree at West Street. Upon inspection, City Forester Dave Richards determined that the tree should be removed to ensure against future damage. The lowest bidder, Trees, Inc., has plans to take it down after the ground is frozen so the terrain will not be disturbed by the heavy equipment.

Appreciation is extended to the members of Ann Story Chapter of the Daughters of the American Revolution for placing flags on veterans' graves in observance of Memorial Day. Due to the work done by George Coburn and Larry Bolgioni of the Veterans' Council a greater number of graves could be marked this year.

Judging by the East Parish Congregational Church records, there were many people who had no headstones, especially in North Main Street, which must be completely full. In 1817 burials began at West Street. When Evergreen Cemetery opened in 1861 many families purchased lots and moved their loved ones to the new burial ground. According to Evergreen Cemetery records, a few remains were taken from North Main but many more were removed from West Street.

On 11 June 1853 the *Rutland Herald* reported that workman had unearthed a body near the old Chipman Thrall place (near the bridge on West Street). There was evidence that the body had been buried in a coffin. Since none of the older residents could recall any such burial, it was assumed to be the remains of an early settler.

The body was taken to West Street Cemetery for reburial.

This spring Al Ransom located a 1913 survey that mentioned a cemetery on the former Poor Farm premises. He calculated that the cemetery was situated near the broadcasting booth that abuts the Rutland High School football field. Assistant City Engineer Alan Shelvey believes that the point of reference was the Poor Farm Cemetery located near the landfill a few rods west of Gleason Road. More information must be gathered before a final determination can be made as to the number of cemeteries on the property.

This year a new chain link fence, which replaces a previous fence that had fallen down years ago, was erected around the old cemetery on the Poor Farm. The enclosed ground is overgrown with trees and brush. At last report Mr. Shelvey was hoping to clear the site.

When the towns of Proctor and West Rutland broke away from the original township in 1886 the Poor Farm on Durgy Hill was set to West Rutland. The next year Rutland purchased the 65-acre farm on Woodstock Avenue for \$5,000 from John K. and Electa Learnard. The house was enlarged and equipped with heat and water. For many decades it served as Rutland's Poor Farm.

This summer Margaret Jenks was in town to copy all of Rutland's cemeteries, with the exception of Evergreen, which she will tackle next year. This will complete her project of cemetery listings for the entire county. Since the burials in Rutland are so numerous they will be published in two volumes over the next two years. She also is collecting information on early grave-stone carvers from the area.

Although it is an inconvenience, everyone seems to be understanding about borrowing the key from City Hall. Locked gates seem to be the only way to ensure the preservation of these cemeteries.

Council on Aging, RSVP, One to One, and Interage

To the Citizens of Rutland:

The **Southwestern Vermont Council on Aging**, located in Building 14 at the Howe Center, is the private, non-profit community organization whose mission is to be a community force in making our region a good place to live and grow old. During the past year, 305 city residents were served by our advocate program, 36,467 meals were delivered to homebound elders and 8,045 meals were provided to participants dining at one of our 3 luncheon sites in Rutland City located at the Bardwell House, Sheldon Towers and the Godnick Center on Deer Street.

Here is a brief description of some of the ways the Council on Aging serves elders residing in Rutland:

Advocate Program

Senior Advocates are available to provide personalized help to elders in need of program information, service coordination, application assistance or linkage with other service providers.

Meals on Wheels

Meals are delivered to homebound older persons who need this service to help them continue living independently.

Community Luncheons

Nutritious meals are served around the noon hour in a group setting at 3 locations in Rutland.

Information and Referral

The I&R service provides easy phone access to elders in need of information about services and programs.

Volunteers for Health Insurance

Benefits Program (VIP)

Volunteers are trained to help elders with health insurance paperwork, claim forms, and medigap policy comparison.

Community Development

Community Resource Developers work in partnership with community groups to identify elder needs and find local solutions.

Peer Support

Seniors experiencing emotional stresses are offered support by volunteers who have been trained in listening and communication skills.

Contracted Services

These include the Senior Law Project Attorney for Elders, the One 2 One Program for essential transportation and homemaker assistance through the Rutland Area Visiting Nurses.

Volunteer Opportunities

Driving for Meals on Wheels, helping at luncheon sites, being a VIP Volunteer, or a Peer Support Volunteer are some of the community service opportunities we offer.

Our services are available to all elders, 60 years of age and older, regardless of income. Although no fees are charged, donations from participants are encouraged.

One call to the Council on Aging at 786-5991 can connect you with any of our services or other community services by referral.

John G. Campbell,
Council on Aging Executive Director

The **Retired and Senior Volunteer Program (RSVP)** is a nationwide program designed for people 55 and older who want to help meet their community's needs through meaningful use of their skills and knowledge in volunteer service to non-profit organizations. RSVP volunteers currently serve as receptionists, tutors, library aides, office workers, musicians, hospital workers, guardians ad litem, hospice workers, Red Cross volunteers; in senior centers, schools, nutrition sites, courts, libraries, nursing homes and a wide range of other organizations. RSVP volunteers serve without compensation, but may be reimbursed for, or provided with transportation if there is a real need. All RSVP volunteers are covered by free, supplemental insurance while they are volunteering.

RSVP is the largest program of coordinated volunteer services in this area, and has been providing these services since 1973. In 1993, 409 volunteers, half of whom live in Rutland City, provided over 60,000 hours of their time to our community. If these hours were multiplied by minimum wage (\$4.25) the benefits would

translate into approximately \$255,000 worth of donated services.

RSVP is now available to any person 55 years of age and older who is retired and wants to help his/her community. We encourage and invite interested persons to call the RSVP office at 775-8220 or visit us at 71B Williams Street (in the basement of the United Methodist Church) to find out more about the program.

At this time, on behalf of RSVP I would like to extend thanks to the voters of the City of Rutland for their support in the continuation of the RSVP program. We pledge that we will continue to try to be responsive to the needs of Rutland City. Thank you.

Anne P. Rowe, RSVP Director

InterAge is an Adult Day Program offering a variety of daytime activities to participants, while providing respite service to families and other caregivers of frail and handicapped adults. InterAge offers a caring and stimulating environment, promotes integration within the community and aids in reducing or avoiding isolation.

During the past year, InterAge has served 37 individuals residing in Rutland County.

Thanks to the City of Rutland and the United Way of Rutland County, InterAge continues to offer quality services to its participants.

InterAge is located at the Howe Center, building fourteen, and is open Mondays through Thursdays, from 9 a.m.-2 p.m.

For additional information, call 747-3587.

InterAge is part of Rutland Community programs, Inc.

The **One to One** program serves the elder population of Rutland County. A group of dedicated volunteers provides essential transportation, telephone reassurance and friendly visiting to those more frail and isolated individuals needing this type of support to remain independent in their homes.

Referrals come through physicians, nurses, discharge planners, social workers, mental health workers, senior advocates, elders themselves or concerned family and friends.

During the past year 6,000 telephone contacts, 400 friendly visits and 3,200 trips were provided.

One to One continues to grow as our elder population becomes larger. For more information, call 775-4318 or 775-8219.

One to One is a part of Rutland Community Programs, Inc.

Marlee Mihevc
One to One and InterAge Director
Rosemary Johnson
One to One Coordinator

Rutland Historical Society

Morris G. Tucker, President

To the Honorable City Council and Citizens of Rutland:

The Rutland Historical Society, presently celebrating its 25th year, has been like a beehive full of activity since July 1993. The renovations of our new home having been completed, leads us to more projects and challenges as we prepare our first exhibit, catalogue and shelve books and begin the slow and tedious process of accessioning the materials accumulated over a period of five years while we were dormant due to storage, moving and revamping our new home.

The celebration of our Grand Opening on July 18, 1993 was blessed with a warm and sunny day. The attendance was good and many people marveled at the beauty of our new home. The exhibit "A Place Called Rutland" has been viewed by many visitors and presents a pictorial history of the very early life and business as Rutland slowly moved toward becoming a city. Robert Beauchamp was emcee for this event. Curtis Johnson of the Vermont Division of Historic Preservation and U.S. Senator James Jeffords both presented brief remarks pertaining to our celebration. Mayor Jeff Wennberg made brief remarks and cut the ribbon for the opening. A tent was set up in the parking lot for the dispensing of refreshments and the First Republic Brass Band played on and on.

Teachers and their students were invited to visit the Society throughout the year. A walking tour of Center and Washington Streets presented a brief history of the many large and old houses of those areas as narrated by James Davidson.

Once we were really in our new home it seemed as though a thousand and one things had to be done right now. Priorities were scheduled and we tried to follow them as planned. Needless to say some goals were not attained and remain as challenges in the future.

The year, busy as it was, also met with some Capital Improvements that one time or another had to be made. To name a few, the purchase of a computer-printer, copy machine, window film and a new roof. Hopefully the necessary Capital Improvements have been made and our Treasury will have a needed breather.

The transfer of the Society's Farm Museum, located in two barns at the Fairgrounds, was

finalized and is now a part of the Rutland County Agricultural Society until such time as the State Fair ceases to operate, then ownership reverts to the Rutland Historical Society.

The Annual Meeting of our Society was held at the Franklin Conference Center on October 21, 1993 in the Howe Business Center. Victor Rolando, the featured speaker, presented a program on his book, *Heavy Industry and 19th Century Rutland County*.

During the year we held workshops on Video and Collections by Gloria Gill, Archival Materials Organization by Polly Darnell and Collections Inventory by Michelle Pagan. All of these serve as guides for us to set up programs for care and extended knowledge of materials in our Society.

This year also found the Annual Meeting of the League of Local Historical Societies convening at Grace Congregational Church under the Sponsorship of Vermont Historical Society and the Rutland Historical Society. April 30, 1994 a very busy time at the Church and Society.

We express many thanks to the Rutland Recreation Department for the fine job of mowing our lawn. Thanks is also extended to Mayor Jeff Wennberg and City Treasurer Ron Graves for their kind advice and support of our Society. We appreciate your continued close relationship as we endeavor to enlarge the scope of operations of our Society and benefit more people studying and researching history.

As we wind down our 25th year, we are mailing a new newsletter "News from Nickwackett" between the mailing of the quarterlies as a source of information throughout the year. We are also at this time preparing an exhibit having reference to the Rutland Herald and some behind-the-scene, so to speak, people of various departments as the paper was printed during the past 200 years. The celebration of their 200 years will take place in December. Congratulations.

In closing, may I express my sincere appreciation to the Officers, Board Members, Committee Members and others who have so freely given of their time, skills and ideas to make this a most rewarding and fruitful year in the life of our Society.

List of Unpaid Taxes as of 6/30/94

The list of unpaid taxes is as it appears on the records of the City of Rutland as of 6/30/94 pursuant to 1 V.S.A. Chapter 5 Subchapter 3.

Persons listed are the owner(s) of record as of 4/1 of the year preceding the tax year shown. Subsequent to the date are taxes that are delinquent. The City realizes that transfers may have occurred subsequent to 4/1 and that taxes became due and delinquent and such listed individuals may not be responsible for the amounts indicated.

Amounts shown are taxes only exclusive of interest and penalties.

Legend: P = payments being made; * = Paid after 6/30/94
